PROFILE

Full stack software developer with passion for innovative technology. I recently enrolled at Nashville Software School to become more immersed in the tech world and make a career out of my interest. I offer a healthy mix of creative and analytical talent and would love a role that combines both. I am curious by nature and enjoy learning new things regularly. I adapt quickly to new things and enjoy working both individually and within a team.

SKILLS SUMMARY

- HTML, CSS
- Javascript, React
- Python, Django
- Git, Github
- JSON Server
- SQL

PROJECTS

TOO LEGIT TO QUIT

Front end capstone

<https://github.com/destinyfrith/too-legit-to-quit>

Task manager two page application that allows users to add, edit and delete tasks as well as mark them as complete. While adding a new task, users choose a category for tasks and mark if they're urgent. These choices are reflected to show flags and color coded badges on the main task manager.

HTML, CSS, Javascript and MaterialUI

DESTINY FRITH
